

WHY YOU SHOULD MAKE L.A.'S NEXT MAYOR WALTER MOORE

WHO THE HECK IS WALTER MOORE?

Walter Moore is a 45-year-old business trial lawyer with 20 years' experience. He graduated with honors from Princeton and Georgetown Law; has a degree in Public and International Affairs; and was an Editor of the *Georgetown Law Journal*. Moore will use his education and experience to fight for you in City Hall against "pay to play" career politicians. Find out more at www.Mayor4U.com.

WALTER MOORE'S PLATFORM

As explained in detail in Moore's platform at www.Mayor4U.com, Moore vows to do the following, and more, for our city:

- **Stop "Pay To Play" Politics.** Career politicians base their actions on campaign contributions and kickbacks. The result is obscene waste and "welfare for the rich." Moore will base his policy decisions on the public interest. Period.
- **Fight Illegal Immigration.** Our sympathy for the poor in Mexico does not require us to commit fiscal and cultural suicide. Illegal immigration has gone too far. Moore will do everything he can to enforce our nation's immigration laws.
- **"No-Kill" Animal Shelters And A Dog Beach.** Moore loves animals, and has three "rescue" dogs. Pets should be "fixed" and adopted, not killed *en masse*.
- **Eliminate The Business Tax And Excessive Regulations.** Our city's hostility towards business must end. We're over-taxed. More business means more jobs.
- **Private Schools For All Children, Not Just The Rich.** For what we now spend on the LAUSD, we can provide \$9000 per pupil per year for private-school tuition.
